## FROM THE OPERATIONS MANAGER

It seems like only yesterday we were amid a heat spell, rain and cooler temps were nowhere in sight and now it is fall weather. Let's hope it stays this way until December!

Please be sure to check out the website, watch your email or check out the posters throughout the Club for upcoming events. Mauricio, Nekita and Chef have been busy creating events for the remainder of the season. Normally October 31st we would close F&B for the season and only operate events. For November and December this season, the Club will be operating the restaurant on a trial basis to assess the community's interest in the venue remaining open for similar hours in January, February, and March. Watch our emails or the website for confirmed hours of operation or contact Nekita or Evan for details.

September 26, 27 the Club will be aerifying greens. Please take note as one nine will be closed each day thus times will be at a premium.

As in past years, the compost will be closing October 28 at 3pm, so you may want to consider doing your fall maintenance before then.

The swipe card system has been a challenge since spring. We have been informed we cannot source another programming unit thus the entire system will require replacement. As is the case with almost all supply chains, we have been delayed in replacing the units by our supplier. We are hoping to have the system operational before year end.

For those that leave the country early for sunnier venues, safe travels and we look forward to seeing you in the spring.

### CCC MEMBERS LOUNGE COFFEE COUNTER

With the colder season upon us, we wanted to feature the CCC Coffee Counter that was added to the Bent Room's Members Lounge this past Spring. The counter features fresh ground Coffee in a variety of strengths, Decaf, Espresso, French Vanilla, Hot Chocolate and even Hot Water to brew a selection of teas available. Stay Warm & toasty with a hot drink next to the fireplace this fall!

Reminder to always bring your CCC Access card with you to enter the CCC only access areas.

## PROSHOP NEWS

Fall is almost upon us, with some cooler temperatures in the mornings and evenings making for great golf conditions. As always, the golf course is in fabulous shape and playing very nicely heading into the back 9 of our season here at Loyalist. With the season winding down there are still lots of great golf events to be played.

Our intersectional teams are all being played out over the next few weeks, so best of luck to all our Loyalist team players! Ladies and Mens Club Championships were a great success this year and we are very proud of this year's Champion Golfers of Loyalist CC!

Loyalist Cup and Fall Classic teams are finalized and as always will be an exciting few days of competition and comradery at the end of the month.

We do have our 4-person Fall Scramble which will be on October 16th this year. Please call the ProShop at 613-352-5152 ext 212 to sign your 4some up for this event. It is great to reflect on the past few months of great golf events being held.

Having our yearly golf schedule return more to normal after the past two years has been a treat, and I hope our Loyalist golfers got to experience all the events we brought back this season. We look forward to seeing everyone some more this fall season. Best Regards,

-ProShop Team

## FOOD & BEVERAGE BULLETIN

Reasonably good weather in August translated into a very busy month at the Club – In addition to the increase member/guests dining activity, at the time of writing, our Weddings & Special Events were on track for a record month.

With September now upon us, we begin planning for the transition from Summer activities to Fall/Winter activities.

A very important date to mark on your calendar is Friday, September 30th when we will be hosting our annual closing dinner and dance – While the last details and format for the evening are still being developed, we are certain all Loyalist members will want to join us for a great meal, some dancing and lots of fun.

We still got lots going on at the club and we are looking forward to a busy Fall season.

Enjoy the club!

Your Food & Beverage Team

## FROM THE EVENTS COORDINATOR

### I can't be-leaf it's already Fall!

Our summer at LCC has been a memorable one. The Club has been busy and so much has been happening!

We had great turnout at some of the Ladies Social Club Events, we tried yoga this past summer, and winter has so much more coming.

We are hoping to gather all the details of the Fall and Winter activities that happen at LCC this year to tell the CCC Community everything that will be going on during the next season. Please reach out to me if you organize or wish to organize an activity at LCC and I will do my best to make sure we can operate smoothly and let members know what's available. There is so much the Club offers in the Winter.

Especially with the Restaurant being open on Fridays, Saturdays and Sundays as a trial in November and December!

Holiday Parties are also right around the corner, if you are interested in hosting, reach out to start planning your event.

Many thanks from your Events Coordinator.
