FROM THE OPERATIONS MANAGER

How quickly time flies! Seems like just yesterday we were opening like any other “normal” season and COVID was an ancient memory. Here we are ...snow, cold and counting the days until spring! As we move forward in 2023 there are many exciting things happening! The site plan for the new Clubhouse facility has been reviewed by staff at Loyalist Township and looked upon favorably, which will aid in expediting the process.

The new swipe system is slated to arrive in the new year (unless there are further delays) and we will have our membership security restored again.

Our new website will be up and operating very soon, and we will be updating it as the season progresses. Be sure to check out us out as Nekita has done a great job creating/restoring the site!

The lake and pond works to restore the irrigation system will begin in the new year, and there will be lots of traffic near the Clubhouse. Please be cautious as you enter.

To all those who supported the “Gift Giving” dinner event and supplied the many gifts, a HUGE thank you goes out! Your support and generosity will ensure that some children in the area will enjoy a much happier Christmas season! Just reading this puts a smile on my face! Nekita, Mauricio, and Chef have some great events planned for 2023 so be sure to watch for emails and flyers throughout the Club. Those who have left us and will be travelling south, enjoy your warmer climate, safe travels, and we will see you in the spring!

Regards

The counter features fresh ground Coffee in a variety of strengths, Decaf, Espresso, French Vanilla, Hot Chocolate and even Hot Water to brew a selection of teas available. Stay Warm & toasty with a hot drink next to the fireplace this fall!
